Pneumatology

This module is a biblical study of the person, work and ministry of the Holy Spirit as taught in the Old and New Testaments. Special attention is given to the Pentecostal teaching concerning the baptism in the Holy Spirit. Essential doctrines of the Holy Spirit are covered, along with the importance of the Holy Spirit in the life of the believer. As the third person of the Trinity, and the "Comforter" sent to us by the Lord, a working knowledge, appreciation, and understanding of the Holy Spirit is vital to the life of the believer. Without Him, we would fail to be truly saved, empowered and secure in daily life.
